sQuare

A social platform for messages and bets

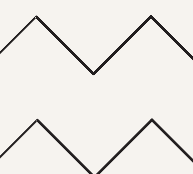

SPEAK

Have your say in the public square,
there your words shall stay,
forever.

Every registered user can freely send
messages on the main page.

Every message is indelibly written on the
Ethereum Blockchain

BET

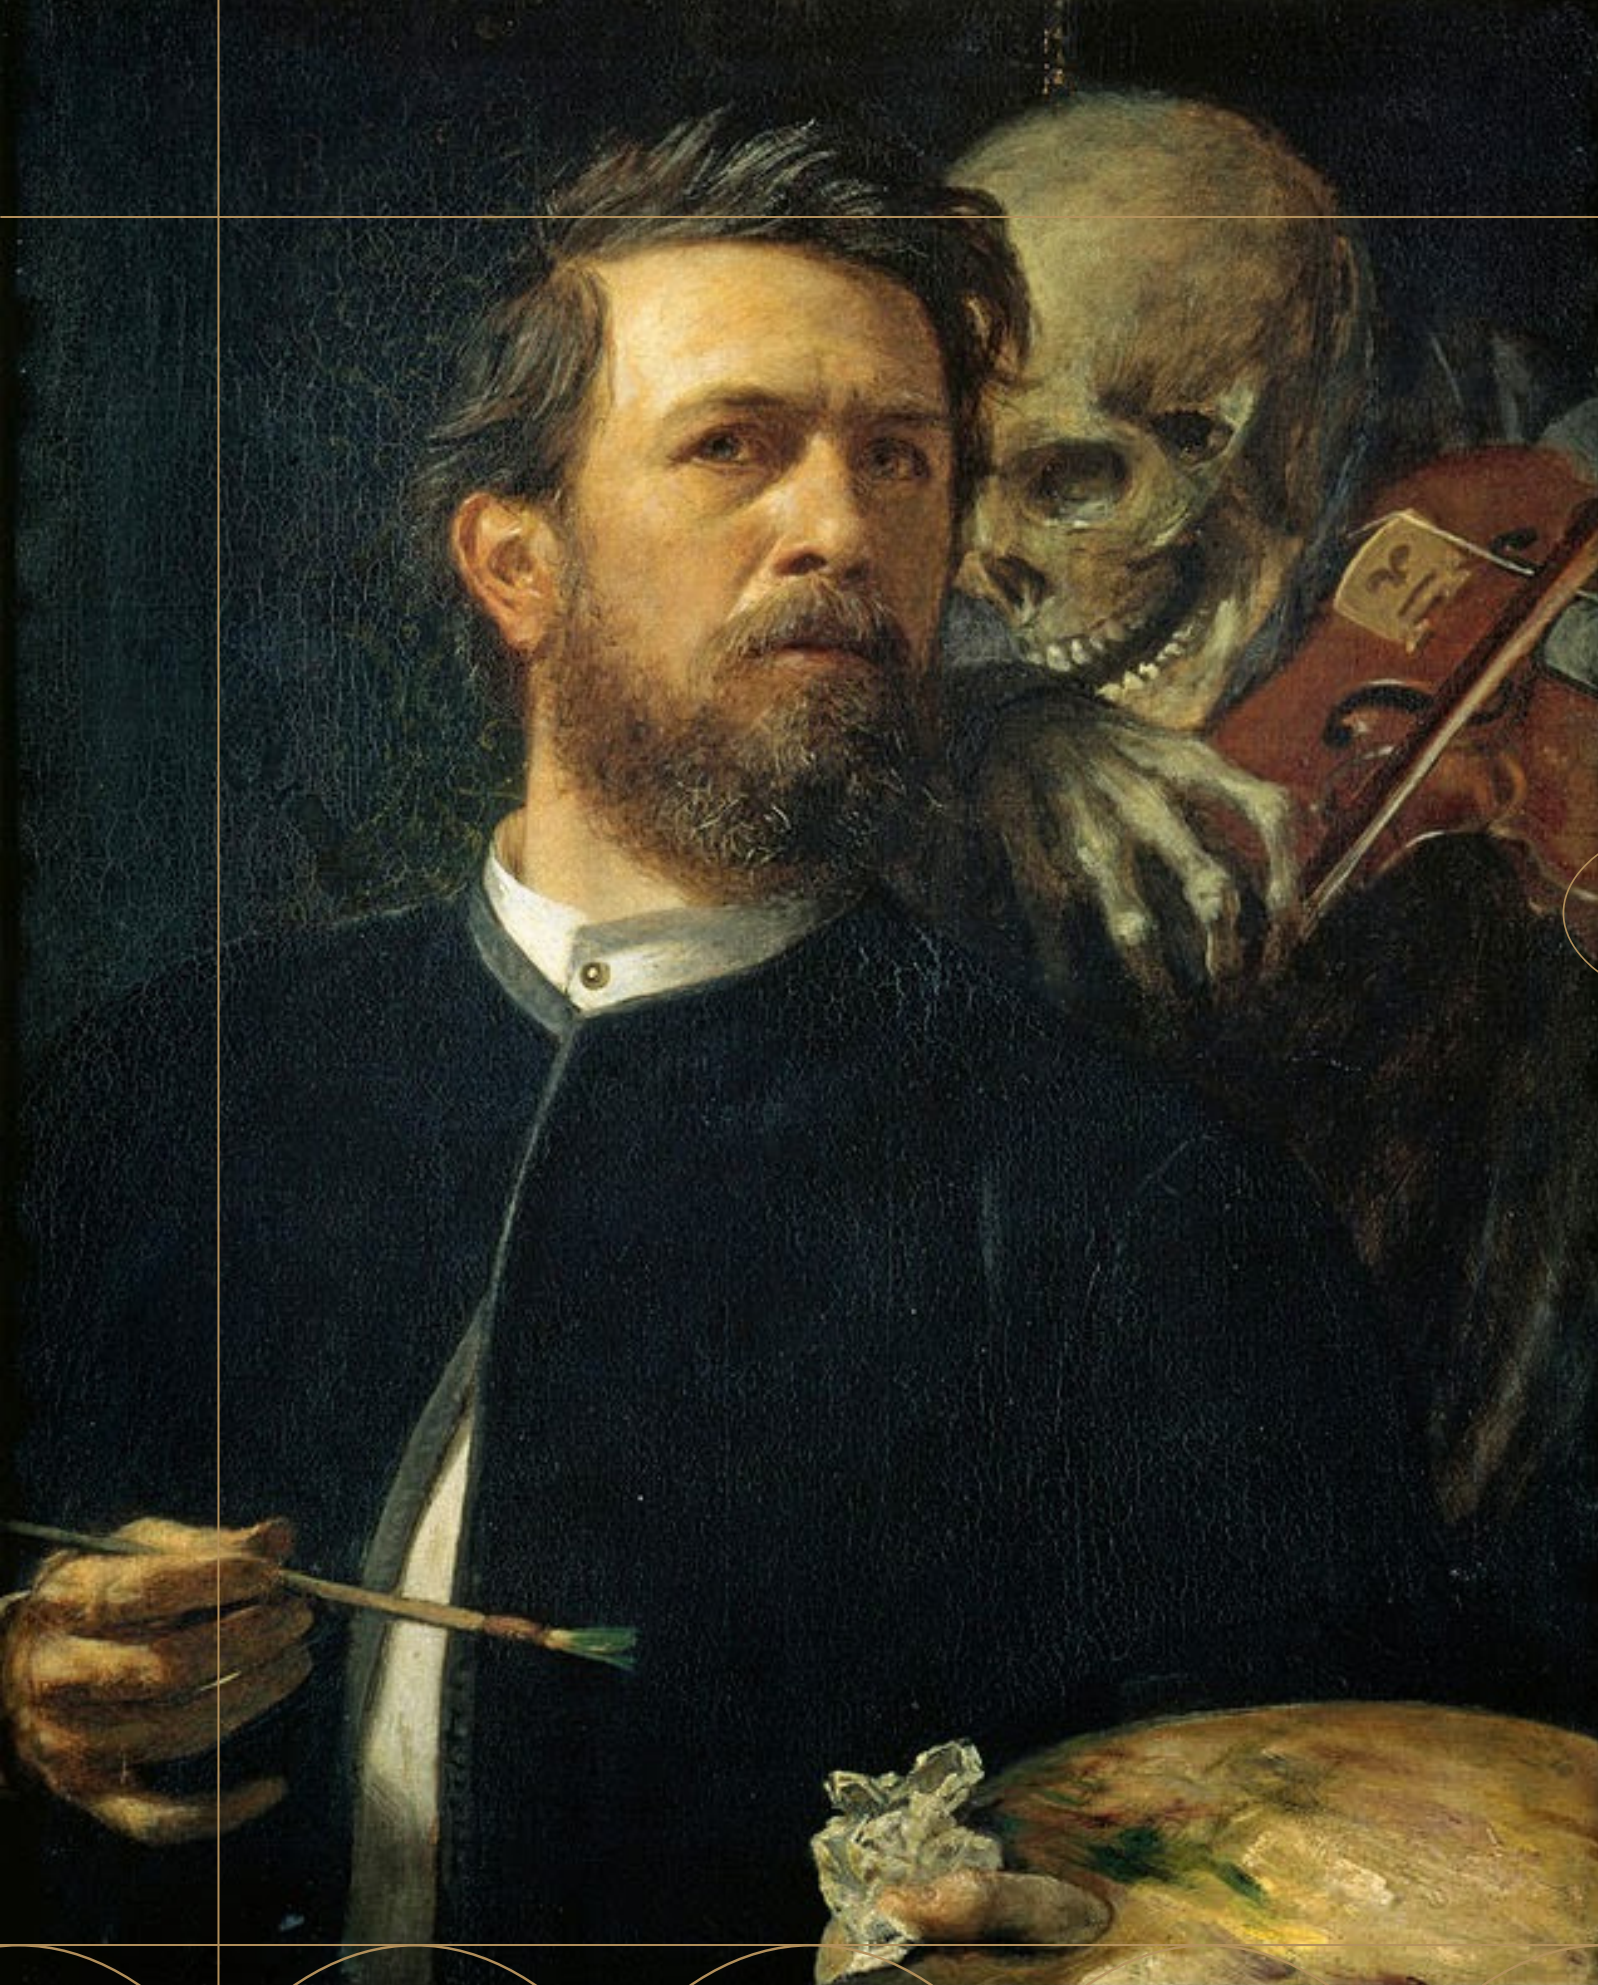

Trust your luck or your
knowledge to win the prize.

Bet on the change of price of Ethereum
and Bitcoin.

Put your credits on the price rising up or
falling dawn.

Every 10 minutes you will double them !
..or not..

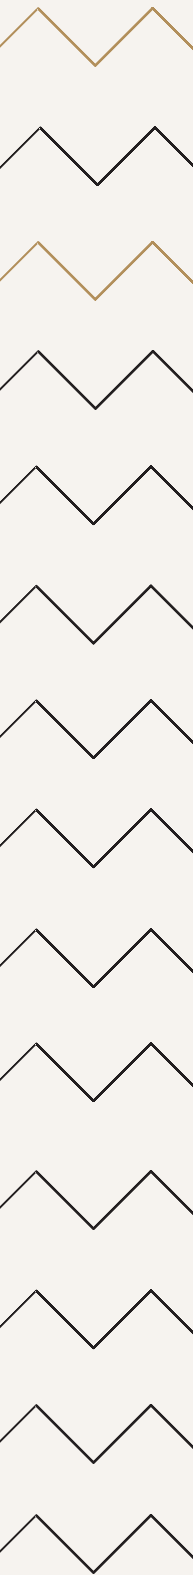

WHISPER

Sometimes it's better to keep it quiet.

Not everybody needs to know.

You can post secret messages, hidden from the crowd

Who will read them ?
Well, who pays for it

LISTEN

Tune in your ear, and listen to the secrets.. for a little money

Spend your hard earned cretis to unlock all the secret messages before your eyes.

Be quick mate, as it wont last for long

IT'S LIVE !
